### → **Mission to Amish People**

From a physical stand point, the Amish culture looks great. Outsiders admire them for their hard work, craftsmanship, family and community values. They are also known for their innocence, honesty, separation from the world and desire to live plain and simple lives. From a spiritual stand point, a smaller percentage of the population understands the new birth as described in John Chapter 3. Most Amish people focus on outward appearance, traditions, and church rules for salvation. Their belief in Jesus Christ is often head knowledge and part of a long list of do's and don'ts. The mindset is: if I want to be right with God, I have to do what I can and God will fill in the rest. Joe & Esther Keim and MAP Ministries seek to evangelize and disciple Amish and former Amish people. [www.mapministry.org](http://www.mapministry.org)

### **Prison Discipleship Ministry**

→ Tim and Barb Klink participate in Stark County jail Chapel services for both men and women many times per month, as well as, actively disciple hundreds of men and women in state and county jail and prison facilities through correspondence. They are also reaching out to the families of those who are incarcerated along with the members of Fellowship Baptist Church with the hope that can only be found in Jesus Christ. On Sept 1, 2014, Tim became the Sr. Chaplain at Stark County Jail which houses up to 500 men and women. They have 13 services per week and have incorporated the Prison Discipleship Ministry program into the jail ministry. This is in addition to being the chaplain/director of the Prison Discipleship Ministry. [timklink@fellowshipbaptistchurch.org](mailto:timklink@fellowshipbaptistchurch.org)

### → **Haven of Rest**

Their purpose is to serve and glorify God through a Christ-centered, life changing program of love and compassion that respond to the physical, emotional and spiritual needs of disadvantaged men, women and children without regard to race, color, creed or social standing. Haven of Rest is a faith-based rescue mission that serves as a light to the homeless community in and around the Akron, OH area. They offer food, shelter, safety, drug rehabilitation and hope to those most in need.

### **Seedline International**

The first time I saw the Scriptures coming off the press, God impressed upon my heart a burden to share the written Word with a lost world. From that burden was born Seedline International, a not-for-profit ministry which assists in printing, binding, and distributing copies of the Word of God to missionaries and mission churches all over the globe. Seedline International is deeply committed to bringing God's Word to all people who need Christ. With faithful partners like you, we are working together to achieve that goal. We are all faced with the unfinished task of spreading the Word of God to those who have never heard. Through Seedline International, you can fulfill the Great Commission and touch the world for Christ. Will you help spread the Word? - Keith Davidson (Founder/Director) [www.seedline.org](http://www.seedline.org)
